## Sacramento Region Broadband Scoping Process

*Digital Inclusion Opportunities*

8/4/09, 9 to 11am at Drexel University

1. Bill Mueller, Valley Vision:
  - Welcome & Overview
  - Broadband Scoping Process
  
2. Discussion regarding "Bridging the Digital Divide":
  - What are the current opportunities for increasing broadband infrastructure and utilization in our communities?
  - What are the key opportunities to implementing a strategic digital inclusion solution?
  - If a collaborative approach were pursued, what top agenda items would maximize the benefit of a regional partnership?
  - What resources can we leverage to optimize this effort?
  
3. Next Steps:
  - How to engage
  - Who else needs to be involved
